

# Proudly Serving The People Of Maine Since 1959!

When it comes to managing vehicles and keeping fuel costs under control, there's one card that has the features you want...

## ...the R. H. Foster Energy, LLC Fleet Card.

Three **GREAT** reasons to participate:

- **Convenience:** See the reverse side for a list of **IN-NETWORK Fueling Locations** that accept the R. H. Foster Energy Fleet Card. There's a location near you!

**PLUS ...** you'll gain access to the **Fuelman Network** and its **40,000+ Fueling Stations**, which are located throughout the **Continental United States**. When outside our network of fueling stations, just visit [sitelocator.fleetcor.com/site](http://sitelocator.fleetcor.com/site) for a list of **Fuelman Network** locations. What's more, you will still be able to enjoy the same friendly, convenient billing service you've come to expect from us.

- **Cost Control:** You are provided one consolidated bill - all vehicle fleet fuel expenses appear on one easy-to-understand detailed fleet management report and there is **No Hidden Fees** or **Monthly Surcharge!** At a quick glance, you are provided the necessary information to make informed decisions. The monthly fleet management report can provide details for all transactions by card, such as:

- |                             |                       |                        |
